## REACH Product Information Sheet

Concerning Perstorp products relevant to REACH registration.

### **Registration information**

All relevant substances (manufactured or imported by Perstorp) in Perstorp products have been registered 2013 or will be registered within REACH deadlines. Registration numbers will replace the pre-registration numbers when received.

### **SDS (Safety Data Sheets)**

SDS according to Art. 31 (Requirements for safety data sheets) and Annex II of REACH and the ECHA Guidance on the compilation of safety data sheets are available for all Perstorp products (categorized as substances) affected by the regulation. The registration number is stated in section 1 of the SDS.

So called eSDS (extended SDS where the Exposure Scenario, ES, is annexed to the SDS) are applicable on classified products.

The SDS/e-SDS will automatically be sent by email to our customers SDS contact. Please contact our Customer Service Organization at [CSO.MSDS@perstorp.com](mailto:CSO.MSDS@perstorp.com) if you want to update your SDS contact information. Please consider a company SDS email address with a shared inbox for your incoming SDS.
